

# UID DAT 2025 Online Exam Guidelines

# UID DAT 2025 online exam is smartly protected by an AI-enabled electronic proctoring mechanism.

All activities are monitored throughout the test duration by an electronic proctoring mechanism.

Features such as face tracking, face recognition, object detection, and noise detection are enabled in this examination.

Ai proctoring will capture any unfair means at any stage of the entrance exam, and it will lead to the disqualification of the candidate from the examination.

# **PRE-REQUISITES**

- Please ensure that you are seated alone in a well-illuminated area of the room for taking the examinations.
- A properly functional laptop or a desktop with a functional microphone and a web camera either inbuilt or externally attached, with a constant power supply.
- Internet Speed should be a minimum of 1Mbps.
- Preferred browsers: Google Chrome (Ver. 75 or above), Mozilla Firefox (Ver. 70 or above). Candidates using any Apple device, kindly use GOOGLE CHROME ONLY to take the test. The test will not work on the Safari browser.
- Kindly deactivate the screensaver & antivirus software and other notifications for the smooth conduct of the Examination.
- In case of any trouble during login, clear the cache from the Browser and hard refresh the browser by pressing CTRL + F5 keys on your device keyboard.
- Kindly keep any one ID Proof such as an Aadhar Card, Driving License, Passport, or your School ID Card handy.
- Keep the following stationery ready for Part B of the examination: Approx. 30 Nos. X A4 Sheets, Lead Pencils (grade B, 2B, 4B, 6B, and 8B), colored pencils, erasers, ruler, sharpener, and geometry box for the purpose of examination.
- For uploading A4 Sheets through Mobile Phone in Part B, Test whether your Mobile Phone QR scanner is working properly by scanning this sample QR here:

Note: IOS devices already have the QR code scanner built into the camera app, other device users can use Google Lens, or download the QR scanner app from the Play Store. (GPay, Paytm app, or any other app with a QR scanner will also work).

**PART B** Creative Ability Test (CAT) Subjective Type Questions

#### For the drawing or sketching part, you can upload your A4 sheets in 3 different ways

#### 1. Upload using mobile phone

You can click on the upload answer sheet using the mobile icon. Once you have click on this icon it will generate a QR code. You have to scan this QR code using the QR code application on your mobile phone. IOS devices already have this QR code scanner built into the camera app other device users can use Google Lens, GPay, or Paytm app or download the QR scanner app.

Once you scan this QR code on the screen using your mobile phone it will activate your mobile phone's back camera. You just have to click on the icon and capture the photographs of the A4 sheets that you want to upload against that question.

#### 2. Upload using Web Cam
