REGISTRATION CUM ADMISSION FORM

Valley View School, Lakhimpur, a co-educational English Medium School made its humble beginning in January, 2013 under the aegis of FOR ALL IN THE HUMANITY (FAITH) a non-proprietary organisation registered under the Registration of Societies Act, 1860 with a promise of dynamic, innovative and interesting process of teaching and learning. The school tries to impart to the students the relevance of what they are learning. In the days of digital learning the classrooms are equipped with Smart Boards to facilitate the students with modern technology in a stimulating environment conducive for learning.

The School believes in the overall development of a child. So, it lays stress on developing and encouraging sports, art, cultural values and other extra-curricular activities. It tries to instil a lifelong desire for knowledge and learning in every child.

The School follows the NCERT based curriculum and the school is affiliated to CBSE, New Delhi.

Admission to Valley View School is a privilege and not a right. The Principal reserves the right to accept or reject any application for admission without assigning any reason whatsoever.

Recommendations for admission from any source will disqualify a prospective candidate. Parents are therefore, advised to approach the Principal's Office personally for admission and not through any other person or persons.

For a child who has been to school previously and is attending this school for the first time, a Transfer Certificate is to be submitted for class - XI, migration certificate is to be submitted. If the student is from another board, other than CBSE Board, Certificate from the previous School must be furnished before joining School. For those coming from outside Assam, the Transfer Certificate must be countersigned by the appropriate education authority of the state concerned. However, this does not apply to CBSE schools. Since no change can be made in the age once it is entered in the Admission Register, a certified copy of the Date of Birth Certificate (DOB) along with the original is also to be submitted. The original will be returned after verification. Please be noted that tampering with T.C. and DOB Certificates will automatically result in disqualification.

Admissions, where vacancies exist, are made on the basis of an entrance examination/ interview (Class V and above). Children who are registered for admission will be notified for the date of the examination and after interacting with child and guardian/parents. The Principal reserves the right to admit the child into the class, deemed suitable for his/her admission. Preference in admission is given to state/central government transfer cases, wards of defense/police forces, wards of parents in the teaching profession and to those children who can be guided at home by concerned parents.

Registration to Valley View School may be closed at any time at the discretion of the Principal.

Valley View School places very high demands on parents and their whole hearted support, co-operation and commitment in the pursuit of all round and quality education of their ward(s). Therefore, parents who find time to be totally involved with their ward(s) education at home will be an added bonus. We, at the school, will endeavour to work with sincerity and diligence guided by the code of behavior given below.

The code of behaviour :

The code of behaviour is the set of programmes, practices and procedures that together form the school plan for helping students in the school to behave well and learn well.

The code of behaviour helps the school community to promote the school ethos, relationships, policies, procedures and practices that encourage good behaviour and prevent unacceptable behaviour. The code of behaviour helps teachers, other members of staff, students and parents to work together for a happy, effective and safe school.

The code expresses the vision, mission and values of the school and its Founders. It translates the expectations of staff, parents and students into practical arrangements that will help to ensure continuity of instruction to all students. It helps to foster an orderly, harmonious school where high standards of behaviour are expected and supported. The code of behaviour enables school authorities to strike an appropriate balance between their duty to maintain an effective learning environment for all and their responsibility to students whose behaviour presents a challenge to the teaching and learning process. The code of behaviour is a key tool in enabling the school authorities to support the learning of every student in the school.

Maintaining a harmonious environment presents a challenge to Valley View School, given competing needs, time pressures and varying capacities or readiness to learn. Our school's code of behaviour that has the support of the Management Committee will go a long way in helping us to meet this challenge successfully.
